

Be a Party Animal!

Does your child love animals and has a birthday coming up? We've got just the thing! The Quincy Humane Society is now offering birthday parties for children ages 6-12. Party guests enjoy learning about animals, a behind-the-scenes shelter tour, and play time with animals.

Your child's party will include:

- Shelter tour
- Play time with the animals
- Party invitations (upon request)
- Private party room with a refrigerator and sink for your use
- A plush dog or cat for each child attending

Parties are held Sunday afternoons for 2 hours. We will provide the entertainment for the first hour, then we let the birthday child have time with his/her guests to open presents and/or enjoy refreshments. Feel free to bring your own decorations!

Due to health regulations we ask that the families supply all food and beverages to be served at the party. Because so many children want specific themes we ask you also supply any special decorations and table supplies.

Cost: \$10/child to help the animals (\$50 deposit is non refundable).

Call Liz at (217) 223-8786 to schedule your party!
