Thank you for your interest in fundraising for the Quincy Humane Society. We are expecting over 300 pet lovers and their dogs at our event this year! Every dollar you raise will help us provide medical care, love, and attention to shelter animals while we work to find their FURever homes.

Since 1880
QUINCY HUMANE
SOCIETY

When you raise funds for the Quincy Humane Society through the Mutt Strut, you will not only be helping us save almost 1,000 animals a year, you will also be eligible to earn exciting rewards!

Step 1: After registering for the event online, you will be prompted to make your own personal fundraising page. Every donation you receive on this page will go directly to the Quincy Humane Society.

Step 2: Make sure you make your fundraising page unique to you! Pick your own fundraising goal, add a picture of your favorite pup, and let people know why you want to raise money for the Quincy Humane Society!

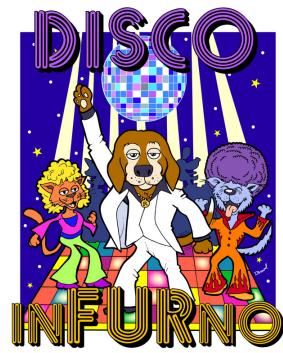

Step 3: Start reaching out to friends and family to donate to your page. We recommend asking close friends and family first to get your page up and running, then posting to your social media.

Step 4: Keep your followers updated! People want to know how your fundraising is going.

Step 5: You have until September 29th to campaign, so don't give up! And if you reach your goal, set it higher! The more you raise, the more prizes you'll receive!

Step 6: Come to the Mutt Strut with your four-legged friend and have fun! You'll get to collect your rewards, and we will announce the Top Dog and Runner-Up (the top 2 fundraisers).
