Quincy Humane Society is a non-profit organization that relies solely on the support from the members of our community and the surrounding areas. We do not receive any state or local funding and a large majority of things we do for our animals is done by our wonderful volunteers!

From walking dogs and helping clean cat condos, there are always a variety of tasks that need done around the shelter on a day to day basis. We also need volunteers who are able to take dogs to adoption events, nursing homes, and to visit college students around finals time, all of which are considered as part of our community outreach portion of our volunteer program. Whether you have interests in planning and assisting with fundraising events, or even helping drive for our various transports throughout the year, every minute of volunteer times goes a long way for our organization.

There are many people that ask about the time commitment volunteering entails. With the hustle and bustle of life it is hard to add "one more thing" to your plate. At Quincy Humane Society, we understand that and we not only want to ensure that volunteering is something fun and worthwhile, but most importantly something that people can look forward to. While a scheduled volunteer orientation is a set requirement, volunteering your time and getting actively involved is something that is totally up to you! Whether it be 30 minutes in between running kids from one activity to the next, or on your hour lunch break, once volunteers have completed their orientation, they are welcomed to come in and volunteer any day and time that fits best in their schedule! Our volunteer program provides flexibility for our volunteers so they can get as much out of our program that they want to.

Year round we are always looking for people who are interested in volunteering their time to help the animals at our facility. We have a wide array of opportunities for people between the ages of 8 and older and getting started is easy!

To get started, please contact the Community Relations Manager by phone at 217-223-8786 or email voluntr@adams.net.

Quincy Humane Society Updates

During the month of December, Quincy Humane Society hosted a "Stuff the Stockings" donation campaign! While we are always accepting donations of toys, food, leashes, bedding, etc., year round, we really wanted to involve the community in helping make sure that our animals have the best holiday season ever!

We kicked off the month of December with a special surprise! Mrs. Heilwagen's 8th Grade ELA students from Quincy Junior High School collected over 450 items for our animals! From toys, to leashes, cat food, and water bowls, these students thought of everything! It was wonderful to see some of the students in our community giving back to help our animals. (Donated items, pictured right)

Elvis Pupsley Snacks LLC. Donated 40 to 50 individual bags of their peanut butter treats and turkey jerky! The dogs LOVED them! We really appreciate the support from Elvis Pupsley Snacks not only during the holiday season, but throughout the year.

We are so grateful for all of the support from the members of our community who donated all of the much needed items for our animals! The best part...the animals here at the shelter had the BEST holiday season yet!

Thanks to the Petco Foundation and an anonymous donor, the Quincy Humane Society was able to replace all of the guillotine panels in the dog adoption area. The previous panels were as old as our current building and were beginning to show their age. The new panels are stainless steel and have a lifetime warranty, so they will be more resilient and last longer. Thanks to some wonderful volunteers we were able to get them installed within a couple of days! (New guillotine panels, pictured right)

Updates like these are important because they allow us to provide the best possible care to our animals and keep our facility looking good for our visitors!

Walk a Hound Lose a Pound!

Quincy Humane Society is excited to team up with Quincy Park District for our annual Walk a Hound Lose A Pound! Walk a Hound Lose a Pound is the perfect way to get out this summer for some exercise with a four legged friend!

Here's How it Works!

Every Thursday, starting June 7, from 9:30AM to 10:30AM, Quincy Humane Society will have a group of friendly dogs who could use some extra exercise and companionship! Participants come out to Quincy Humane Society and pick up a dog and transport the dog to Moorman/Wavering Park! The participants are free to roam the park with their new canine friends!

Dogs are to remain on a leash at all times.
Ages 15+ welcome!

Walk a Hound Lose a Pound is free to all participants who have a signed waiver, which participants can complete by registering online or contacting the Quincy Park District Business Office

A Special Thank You

Giving Tuesday: Thanksgiving festivities, Black Friday, Cyber Monday, and Giving Tuesday...a global day of giving! Thank you to all who made our first official Giving Tuesday campaign a great success! We are truly grateful for all of those who donated to our campaign and helped us spread the word to members around the community.

Mrs. Altenhein's Class: Thank you for coming together as a class to collect donations in the amount of \$140+! We greatly appreciate your kindness and generosity. Your donation goes to help purchase new toys for our animals to play with in their kennels and in the play yard!

Chaddock: Thank you the wonderful students who delivered Christmas presents to our animals this holiday season! These students come in to volunteer throughout the year, and we were extremely happy and grateful that they helped to make sure our animals had a wonderful holiday by having presents for them under the tree! Thank you Chaddock for your time and dedication you give to our organization

Blessed Sacrament 6th Grade Class: Mrs. Archer's class came for a tour, and they were generous enough to collect some much needed supplies for the animals. We are so thankful to you for thinking of us. We loved having you here!

Quincy University Women's Softball and Women's Basketball Teams:

Thank you for coming out to our facility to help us take care of our animals at the shelter! From walking dogs, to deep cleaning kennels, cleaning our front lobby from top to bottom, cleaning out our cat and kitten rooms, and even cleaning out part of our garage...all of your assistance in getting many of these tasks completed really helped us out!

Lowe's Home Improvement: Thank you for opening up your store to our animals as we hosted our first adoption event at your store!! We had a wonderful time and we are SO excited that there is another pet friendly place in town that will host an adoption event with us, but to also take our animals in their to shop for our home improvement needs!

Holiday Pet Photos: Right before all of the holiday festivities, Quincy Humane Society partnered with Picture This Photo for our yearly Holiday Pet Photos fundraiser!! We want to thank you the families who came out to get their pets holiday photos taken and support the animals at Quincy Humane Society with the various donations of treats and toys!

Pilar Yates Brumbaugh: A special thank you to Pilar for your 3 years of service with the Quincy Humane Society as the Community Relations Manager. You were truly wonderful at your job and will be missed. We wish you well at your new job and future endeavors.
